

Eco-Bac Anti-bacterial Soap

The C.D.C. recommends washing hands with soap and water to prevent the spread of COVID-19

Hypoallergenic formulation with cosmetic grade ingredients

Highest quality emollients and skin conditioners

Reduces the risk of infection and cross contamination

Environmentally friendly biodegradable formulation

Product Description:

Effective hand hygiene is globally recognized as a mainstay of efforts to prevent the spread of infectious diseases including severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2), the virus that causes COVID-19.

Eco-Bac anti-bacterial liquid hand soap is an environmentally friendly personal care cleanser which is a blend of the highest quality hypoallergenic cosmetic grade ingredients that is designed to clean the skin, and leave a luxurious smooth feel while helping to remove pathogens.

Hand washing helps to remove many viruses, germs and bacteria (W.H.O Guidelines) and reduces the risk of infection and cross contamination at home and work.

EcoZyme
Eco Chemicals Bio Enzymes

Product Features:

- Highly effective against enveloped viruses such as COVID 19 (W.H.O. Guidelines)
- Anti-bacterial formulation
- Hypoallergenic properties
- Cosmetic grade formulation
- Eco-friendly biodegradable components
- Excellent soil removal properties
- Reduces the risk of infection
- Helps prevent cross contamination
- Luxurious skin emollients and softeners
- Helps to rehydrate and rejuvenate skin
- Reduces dryness, itching and cracking

Industry Applications:

- Food
- Industrial
- Domestic
- Institutional
- Medical

Recommended Use:

Wet your hands with clean, running water (warm or cold), turn off the tap, and apply a generous amount of soap covering all the skin of the hands. Lather your hands by rubbing them together with Eco-Bac. Be sure to lather the backs of your hands, between your fingers, and under your nails. Scrub your hands for at least 20 seconds. 30 Seconds is recommended (Slowly hum the "Happy Birthday" song to yourself from beginning to end twice).

Shelf Life, Storage & Precautions:

Store in cool, dry place. Stable for 12 months.
