

Eco Multi Surface Polish

2 in 1 formulation – A multi-surface polish with air freshener included

Anti-dust agents for a longer lasting shine

Nourishes and protects

Suitable for multiple surfaces

Cost-saving formula

Super-sized 400ml refill

Product Description:

Eco Multi Surface Polish is a highly effective and cost saving nourishing and shining agent for multiple surfaces.

It is specially formulated with anti-dust agents for a longer lasting shine.

The active ingredients are environmentally friendly and approved by the Aerosol Manufacturers Association (A.M.A.) of South Africa.

Available in up to 12 high-end exciting designer fragrances.

Eco Multi Surface Polish is manufactured with specially selected tin-plated steel – the most recycled material on earth, which is actively sought by all recyclers.

Surface Applications:

- Wood
- Melamine
- Laminates
- Leather
- Marble
- Granite
- Glass
- Mirrors
- Dashboards & Detailing
- Tyres
- Porcelain
- Plastic
- Stainless Steel

Instructions For Use:

Use a clean, dry cloth. Hold aerosol approximately 20cm away from the cloth and spray lightly onto the cloth. Thoroughly wipe and clean the surface. Repeat if more shine is needed, or apply more product to the cloth.
